OUR LORD JESUS CHRIST, KING OF THE UNIVERSE
Weekday Cycle 2

24th Nov. 2024
Psalter Week 2

Our Lord Jesus Christ, King of the Universe

Often, we light candles as a sign of remembering and, like the remembrance of God, we do something too. As we light the candle we say a prayer for that person that they may be enjoying the marvellous light of heaven. The candlelight reminds us that we too have the opportunity to share the light of hope that we

carry with others. When you are in a dark place, the warmth of a smile or a kind word can mean a lot. It may feel that our own light is very small and insignificant in times of darkness but each time it is shared, it is not halved but doubled. Together we really can make a difference.

Verbum Domini—The Gospel of the Lord John 18 : 33 - 37

1. The feast we have today, and the gospel, give us an opportunity to reflect on the different ways in which we, and others, exercise influence and leadership. The authority of Pilate came from position and power. The authority of Jesus came from his integrity and what he stood for. Recall leaders you have known whose influence was like that of Jesus (teachers, community leaders, family members).
2. The values of the kingdom of God cannot be imposed. It is never a matter of fighting battles, or forcing others into compliance. Perhaps through experience you have learned the limitations of the use of force, as a parent, a teacher, a group leader. What has been the good news, the learnings for you, in this?
3. Jesus came to bear witness to the truth and we are all created for a purpose. Who are today's witnesses to truth in the world? Who are the people whose witness to truth has impressed you, either now or in the past? In what way have you been able to be a witness to truth? What was it like for you to be such a witness?
